

C. V.

Personal information

1. **Name:** Mohamed Abd El-Naby Abd El Maksoud El-Edel

2. **Date of Birth:** February 14, 1978

3. **Nationality:** Egyptian

4. **Current Appointment:** Professor of Poultry Breeding and Production at Department of Animal Husbandry and Animal wealth Development, Faculty of Veterinary Medicine, Damanhour University, Damanhour 22511, Behera, Egypt

5. **Academic Degree:**

Type: Proferssor

Field: Poultry Breeding and Production

Date Obtained:. 2020

Institute: Faculty of Veterinary Medicine, Damanhour University

6. **Contact:** Email: eledel.m@vetmed.dmu.edu.eg . Tel: 01006160675 Fax: 02043320570

Education history (Start from the latest one)

Institution	Location	Degree	Field	Completion Date
1. Faculty of Vet. Medicine, Damanhour University	Egypt	Professor	Animal production (Poultry breeding and production)	2020
2. Faculty of Vet. Medicine, Damanhour University	Egypt	Associated professor	Animal production (Poultry breeding and production)	2015

3. Faculty of Vet. Medicine, Alexandria University	Egypt	Ph.D.	Animal production (Poultry breeding and production)	2009
4. Faculty of Vet. Medicine, Alexandria University	Egypt	M.V.Sc.	Animal production (Poultry breeding and production)	2005
5. Faculty of Vet. Medicine, Alexandria University	Egypt	B.V.Sc.		2001

Employment history

Name of Institution	Location	Position	From – To
1. Faculty of Veterinary Medicine, Alexandria University	Egypt	Demonstrator of Poultry Breeding and production	(From 14/9/2002 to 22/10/2005)
2. Faculty of Veterinary Medicine, Alexandria University	Egypt	Assistant Lecturer of Poultry Breeding and production	(From 22/10/2005 to 27/1/2009)
3. Faculty of Veterinary Medicine, Alexandria	Egypt	Lecturer of Poultry Breeding and production	(From 27/1/2009 to 15/3/2009)

University			
4. Faculty of Veterinary Medicine, Alexandria University – Damanhour branch	Egypt	Lecturer of Poultry Breeding and production	(From 16/3/2009 to 29/7/2015)
5. Faculty of Veterinary Medicine Damanhour University	Egypt	Assistant professor of Poultry Breeding and production	(From 29/7/2015 to 29/8/2020)
6. Faculty of Veterinary Medicine Damanhour University	Egypt	Assistant professor of Poultry Breeding and production	(From 29/8/2020 up to now)

Thesis

My thesis

1. Master's degree of Veterinary Medicine 2005, Poultry Breeding and Production, Alexandria University, Egypt. (Title of Thesis: Breeding for immune response in Egyptian chicken strains).
2. Ph.D. of Veterinary Medicine 2008, Poultry Breeding and Production, Alexandria University, Egypt. (Title of Thesis: Studying the Degree of Inheritance of Some Genetic Traits in Local Transgenic Chickens).

Duties

1. Teaching the courses to undergraduate in faculty of veterinary medicine Alex Uni for the second year (course Poultry breeding and production) and the first year (veterinary statistics) (from 2002 until 2009)

2. Teaching the courses to undergraduate in faculty of veterinary medicine Damanhour Uni. for the third year (course Poultry breeding and production) (from 2009 until now)
3. Teaching the courses to undergraduate in faculty of nursing (statistics) (2012 until 2014)
4. Teaching the courses to undergraduate in faculty of Education (branch of agriculture learning) second (course principles of animal and poultry production) and third (course Poultry production) year (2022 until 2024)
5. Teaching postgraduate students of diploma, master, and doctor courses.
6. Supervised Ph.D. student and supervisor of Master students.
7. Training third year students in the summer training program.
8. External examiner at other Faculties of Veterinary Medicine.
9. Participation in specification and development of courses for under and post graduate students.
10. Director of Quality Assurance Unit, Faculty of Veterinary Medicine, Damanhour University from 2018 until 2020
11. Head of the strategic planning in the faculty of veterinary medicine Damanhour University from 2020 until now
12. Head of the Second Year Exams Control from 2021 till 2023
13. Head of the First Year Exams Control from 2023 till 2024

Training courses:

1. ICTP Certificate in Monday, November 20, 2006 from Alex. Univ.
2. Attended the training program: GRAPHIC ADOBE PHOTOSHOP from 28/5/2012 to 21/5/2012 and passed the examination prepared by the CENTRAL UNIT OF IT TRAINING (CUIT).
3. Attended the training program: 2D ANIMATION MACROMEDIA FLASH from 2/7/2012 to 16/7/2012 and passed the examination prepared by the CENTRAL UNIT OF IT TRAINING (CUIT).

4. University Code of Ethics (P4), October 1 - -3, 2005.
5. Research Methodology (T4), October 8 – 11, 2005.
6. Effective Presentation Skills (I1), July 24 – 26, 2007.
7. Time and conference Management (L4), December 11 – 13, 2007.
8. Credit Hours (D1), December 29 – 31, 2007.
9. Teaching With Technology (T3), December 29 – 31, 2007.
10. Research Ethics, March 16 – 18, 2010.
11. Conference Organization, February 23 – 25, 2010.
12. Exams Students Evaluation System, March 23 – 25, 2010.
13. International publication, April, 14-15, 2015.
14. Writing of competitive research projects. April 22-23, 2015.
15. Quality standard in the education process. May 4-5, 2015.
16. Legal and financial aspects in university environment. 12 – 13 December 2018
17. Adopting an Academic Program. 29-30 August 2018.
18. Blended learning. 27-28/8/2018.
19. E – Exams 29-30 /4/2020
20. Design and production of digital content 2-3/5/2020
21. Funded research implementation and research team 6-7/5/2020

Projects

Consultant for **The Quality Assurance Student's Project SP3-012-DAM.** Faculty of Veterinary Medicine Damanhour University.

Membership in scientific societies

1. Member of the Egyptian Society for Animal Welfare. Cairo University, faculty of veterinary medicine, Egypt.

2. Head of a charity on behalf of “the Society for Preservation of the Holy Quran and to facilitate the Hajj and Umrah in Alrozymat”. Hosh Esa, Behaira, Egypt. From March 2011 until now.
3. Intended member in the periodical Social Veterinary Services which is organized by the faculty every week.
4. Member of the Project Appraisal Committee for poultry projects in the Governor of Beheira, such as production of 15 million egg project in Shobrakhitt, in the period from 6/10/2011 to 15/1/2012.
5. Member of the Project Appraisal Committee for poultry projects in the Governor of Beheira, such as poultry project for chicken breeds improvement in Ferhash, Hosh Isa, Behaira in the period from 6/10/2011 to 15/1/2012
6. Member of the Egyptian poultry science journal from 2002 until now.

Editorial board membership and reviewer in scientific journals

1. A member in the journal of Egyptian Poultry Science From 2002.
2. Alexandria journal of veterinary science
3. Damanhour journal of veterinary science

Workshops and seminars

4. The workshop of quality assurance project "QAAP2" “Programs and Courses Specification” – September 17, 2009, Faculty of Veterinary Medicine - Alexandria University (Damanhour Branch).
5. The workshop of quality assurance project "QAAP2" "Academic Standards" -September 24, 2009, Faculty of Veterinary Medicine - Alexandria University (Damanhour Branch).

6. The International Conference of the Faculty of Veterinary Medicine, Alexandria University (Damanhour Branch) – “Avian Influenza Yesterday and Today: Analytical View”, 23 December 2009, Damanhur City, Behera, Egypt.
7. Attending a workshop entitled “Meeting the quality standards according to the third edition of the National Authority for Quality Assurance and Accreditation.” By Prof. Dr. Sherif Zakaria Kamel, held at Faculty of Veterinary Medicine, Damanhour University, 18/11/2018.
8. Attending a workshop entitled “Application of Quality Standards for Examinations, Controls and Student Assessment”. By Prof. Dr. Ashraf Abd ElMohsen AlShraby, held at Faculty of Veterinary Medicine, Damanhour University, 26/11/2018.
9. Attending a workshop entitled “Preparing a File”. By Prof. Dr. Hazem Shahin at Faculty of Veterinary Medicine, Damanhour University, 11/12/2018.
10. Attending a workshop entitled “Definition and application of the international standard ISO 9001 for the year 2015 in institutions of higher education”. By Mohamed Abdel Moneim Obaid, Advisor to the President of the University and Director of Planning at the National Council for Accreditation on Saturday 12/1/2019 held at Faculty of Veterinary Medicine, Damanhour University.
11. Effective participation in the first meeting of Damanhour veterinary Graduates at Faculty of Veterinary Damanhour University (on 26th August 2020).
12. Attending the online Workshop (Electronic tests preparation) on 9 December 2020, Measurement and Evaluation Center, Higher Education Development Projects Management Unit.

13. Attending a workshop entitled “Faculty self-study according to the third edition of the National Authority for Quality Assurance and Accreditation.” By Prof. Dr. Mohamed Ghanem, held at Faculty of Veterinary Medicine, Damanhour University, 15/11/2021.
14. Attending a workshop entitled “NARS” by Prof. Dr. Sherif Zakaria Kamel, held at Faculty of Veterinary Medicine, Damanhour University, 24/11/2021.

Conferences

1. The 4th Scientific Conference of the Faculty of Veterinary Medicine, Alexandria University, October 2 – 4, 2004, Alexandria, Egypt.
2. The 6th Scientific Conference of the Faculty of Veterinary Medicine, Menofia University, July 27 – 29, 2010, Sadat City, Egypt.
3. The 7th Scientific Conference of the Faculty of Veterinary Medicine, Mansoura University, 28-30 August 2012, Mansoura, Egypt.
4. The 5th Scientific Conference of Egyptian Society for Animal Management (ESAM), September 18 – 22, 2012, Cairo.
5. The first scientific conference for the internal animal medicine department faculty of veterinary medicine Damanhour University under title of (Future vision in the diagnosis and treatment of animal diseases) 4 / 10 / 2016. Damanhur City, Behera, Egypt.
6. The 10th Scientific Conference (3rd international) of the Faculty of Veterinary Medicine. University of Sadat City “Veterinary Medicine and the sustainable development: New future Horizons. 14 – 17 October 2019.
